STUCK! The Story of La Brea Tar Pits Oozy, sticky asphalt seeps surprised Ice Age animals that wandered in for a drink (or an easy supper). Stuck instead, predators and prey got mired in the muck! Trapped until unearthed, uncovered, unstuck - revealing stacks of climate science stories buried at La Brea Tar Pits.

About the Author

Joyce P. Uglow is the author of **STUCK! The Story of La Brea Tar Pits** (Bushel & Peck Books) and poetry in several anthologies (Pomelo Books, Hey Hey Books, The Dirigible Balloon, Northern Loon Press). Joyce loves family gatherings, gardening, exploring National Parks, mountains, rocks and the ocean with her husband, Larry.

Published by **Bushel & Peck Books**, home of the **Book-for-Book Promise**. For every book we sell, we pledge to donate one to a child in need. Book for book, child for child, it's our promise. Why? Because literacy matters.
